Reviews

Undoubtedly, this is the best function by any writer. This really is for those who stante there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

This simple message eludes many in this world. Our job is to support the business-if people don t get this, success is impossible. -Mike Jones, CIO, Children s Hospital Craig s book is really about leadership. He articulates a key thought process that drives great leaders at all levels of successful organizations. -Dirk Debbink, president, MSI General Craig s message is universal. Anyone in any department (not just IT) can benefit from this message. And it applies to private sector and public sectors equally. The more we understand Craig s message in the public sector, the more we can focus on the true business of government. -Matt Miszewski, CIO, State of Wisconsin Craig s message inspires all employees to realize their role in driving organizational success. A must-hear message for all! -Betty Barhorst, president, Madison Area Technical College Getting out of IT and into your industry is what it takes to be great in IT. Great message! -Mark Henderson, section head, technical support services, Mayo Clinic Everyone in IT can benefit from this message. It will get them, their IT organization, their company, and the real customer to a better place. -Judy Murphy, vice president information services, Aurora Healthcare.
