Wentworth Divorce Financial Advisors, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Build Your Ideal settlement and Avoid Divorce Financial Mistakes Our Three Step Program Shows You How! Divorce finance is complicated, and a mistake in building your settlement can have disastrous consequences. But going on the internet to get bits and pieces of financial facts and advice is not the answer. You need information and a plan to follow that moves you from start to finish through the many financial decisions you will face during a divorce. That is what The Financially Smart Divorce is all about. Unlike other books, this is not just a series of articles thrown together. You are led through your divorce logically from start to finish getting the information you need as you need it in three simple stages: - In the Preparation Stage you learn how to get completely organized, evaluate your finances and build a solid negotiation game plan - In the Negotiation Stage you get the information you need to build your ideal settlement from managing the family home, alimony and child support to dealing with complex issues as executive compensation and business interests. 14 topics in all! - In the Recovery Stage you are given a blueprint for ensuring you fully implement your agreement and get your finances rebuilt properly from the ground up. You also get exercises, checklists, and other tools so that you have complete control in managing the financial side of your divorce. from preparation to negotiation to recovery. It s all in here. You will also learn: How to use the Divorce Financial Reality Check to identify the strengths, weaknesses and issues needing attention A process for building your personal negotiation strategy that puts your most important needs front...
