

## A Face at the Window (Paperback)

By Sarah Graves

Bantam, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. It starts with a phone call that reopens a painful chapter in Jake Tiptree's past. After years of delay, the man who murdered Jake's mother is finally scheduled to stand trial--until he vanishes into thin air. Maybe the only thing worse about Ozzie Campbell's disappearing is that Jake has a terrible foreboding of just where he'll turn up next. With her family away, Jake had hoped to savor a few days of unaccustomed solitude. Now, without warning, her cozy, well-loved home in Eastport, Maine, seems more like a death trap ready to snap shut. Suddenly Jake feels that her house--and her life--has far too many windows. And in any one of them she might see the face of her killer.
