Christopher M. Grant, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the unconventional story of a teenaged entrepreneur who grew a successful business against all odds. It offers a unique perspective, detailing how a kid can start a business, make every mistake in the book (literally), and keep going. After reading this book, will you learn how to be the next Steve Jobs, Richard Branson, or Mark Zuckerberg? No, because that has already been done. If you are on the edge, dreaming about owning a business, the only way to know if you can do it is to conquer every imaginable fear and simply get it done. This is not a steps-to-success book or a sappy it s so easy everyone can do it book. In reality, being an entrepreneur is so rewarding that I wish everyone could experience what it s like to own their own business, but more importantly find a job they love.
