TRESSA AND DAN S PICNIC AT THE ZOO (PAPERBACK)

N+n Publishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Engaging book, Tressa and Dan s Picnic at the Zoo , helps accelerate learning on many levels Tressa and Dan s Picnic at the Zoo is the first book in an anticipated series with the two main characters. This wonderfully illustrated book demonstrates sharing and cooperation as Tressa and Dan share their picnic with the animals, and then get help from each animal to discover who ate the next food item. Its gentle, playful rhymes help teach children food and animal names as the reader has to guess who ate each food from the picnic. On each page, Tressa and Dan wonder who ate their food. Hey Dan, who ate the grapes? As we turn the page, we meet a new animal in an amusing setting with evidence of the missing food. The Apes at the Grapes. This pattern is repeated over and over, helping the pre-reader learn the food and animal names. There are also the games , Find the Poor Zoo Keeper and Find his Missing Hat on the left hand pages to engage the young audience beyond the story line. While this story is written for the young child, with the good-natured illustrations and games embedded within, this engaging book is attractive to older children and their adult friends. Simply put, this book is FUN for the reader and the pre-reader! Evan Michaels is the pseudonym that entrepreneur and business leader Pete Winiarski uses for his children s books.
