THE ONENESS OF GOD (PAPERBACK)

AUTHORHOUSE, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As I write this introduction to this book, I look back over the years when I first started to make notes in my bible or notebook, it occurred to me that it began over a half century ago. I attended church and Sunday school on a regular basis and was very interested in learning more about what the future holds for me and my family. The notes I made were mostly in the form of questions rather than things that I had learned. I became convinced that no matter what one believes they could go to the bible and turn to a scripture and prove why they believe what they do. I am also convinced that ninety-five percent of us blindly follow our ancestry without concern as to whether it was according to God s word or not. I suppose I am a maverick because I question or try to prove everything that doesn t make sense to me. Hence, most of my notes were questions. In trying to find answers, I read commentaries, listened to teachers and scholars and came up with as many different answers as there were people dispensing them. I finally decided to go to the Lord and ask Him to enlighten me where there was so much disagreement among our fellow Christians. I was amazed at how God will enlighten one who is willing to study his word, pray and meditate on those things that are of concern. I have awakened in the middle of the night many times and my thoughts would go to something about which I had been praying. This seemed to be the time that God used to reveal an answer to me....
