OWEN TUDOR: AN HISTORICAL ROMANCE (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Owen Tudor: An Historical Romance But, though vanquished in the field, and curbed on every side by the strong fortifications introduced by the English into the very heart of their fastnesses, the Welsh were far from showing implicit submission to their conquerors. Still, the wise moderation of the government introduced by Henry V. Among his Welsh conquests, the efforts which he made to ingratiate himself with the people, - above all, the blaze of military glory which surrounded his name, always a dazzling lure to nations of Celtic blood, - produced in progress of time a remarkable effect on the upper classes of the people and nobility, if not on the great mass of the population of Wales. This was especially the case in the countries more immediately under the English sway, or bordering on the English counties. The remote and mountainous districts were, of course, the latest in suffering this new light to stream in upon them; but even Snowdon itself could not always interpose its mighty shadow between the islanders of Anglesea and the progress of the neighbouring civilization. Most alone among his equals and former companions in arms, the Lord of Penmynydd continued to defy the conquerors, and, like a dark cloud in a brightening sky, suffered no shred of his gloom to mingle or dissipate in the new radiance.
