THE ARTEMISIA MAGAZINE, VOL. 101: FALL 2006 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Artemisia Magazine, Vol. 101: Fall 2006 Medium: of work: Paintings, illustrations, ceramics and sculptures. My first series of paintings I ever did here at school were a series of just simple household items like a barbeque, ceiling fan, an iron, and a hand mixer for cooking. I came into the art department really intimidated by the older students and I thought, you know, these guys are going to be telling me what to do and I have to watch myself around them. They ended up pissing me off over time and really getting on my case, so I took what they did they were graffiti artists and spray painters and taggers and that type of urban art and I started teaching myself how to use spray paint. I did a series of what I considered fine art paintings with entirely spray paint; black and white spray paint and a pencil.
