

Archangels: Book I (Paperback)

By Corina Zurcher

Nevermore Publications, LLC, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Those who have ears, let them hear.angels exist in the world-both the heavenly ones and the fallen ones. When most think of Hell s Angels, only one comes to mind. But there are many more than the one, and they all answer to him. And he wants you-u-all of you. He.sees.you. With the birth of the antichrist, the archangel Gabriel buries her trumpet in the Eastern Desert. Sealed in a golden ark, protected by engravings of powerful cherubim, no other angel can touch its metal for fear of being cast into the Lake of Fire for all time. Only a mortal can open the ark and play the trumpet s tune. When Jonathan Devereaux accepts the devil s invitation to help the fallen angels resurrect the trumpet, the archangels descend from heaven to fight against the underworld to retrieve the instrument from the inferno before the final tune is played. For Gabriel s trumpet is no ordinary instrument. It heralds the seven plagues of Armageddon.
