Four lost souls on a collision course with either disaster or redemption. A random community of Faces in the Fire. Meet Kurt, a truck-driver-turned-sculptor with no memory of his past. Corinne, an e-mail spammer whose lymphoma isn't responding to treatment. Grace, a tattoo artist with an invented existence and a taste for heroin. And Stan, a reluctant hit man haunted by his terrifying gift for killing. They don't know each other, at least not yet. But something--or someone--is at work in the fabric of their lives, weaving them all together. A catfish, a series of numbers scribbled on a napkin, a devastating fire, and something mysterious. Something that could send them hurtling down the highway to disaster--or down the road to redemption. But they won't know which is which until they've managed to say yes to the whispers in their souls.

*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*
