

## The Connectivity Principle: Healing the Wounds of Separation (Paperback)

By Stephen Long

First Edition Design Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. There are two Worlds that people live in that determine their quality of life and how they experience reality: the World of Separation, which can be bleak, threatening, isolating, and cold, and the World of Connectivity, which is often colorful, safe, fulfilling, and warm. These two opposing paradigms of existence, which are reflective of two distinct Views, contain the roots and essence of all human problems, as well as the hope and promise for their successful resolution. The wise voices of many are now telling us that we humans have passed the point of no return and are on the verge of either an evolutionary breakthrough in consciousness - or a complete systemic collapse; the urgent need for quickly pulling ourselves together as One has never been more startlingly compelling. Increasing our capacity for Connectivity, both individually and collectively, may be the key to our survival. This book explores these two paradigms of living in and experiencing the world, and the vast Continuum of Views that spans between them. It also offers the Bridge, a six-element personal system of practice for...
