Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Editors: In view of the existential dangers that threaten humanity today, one thing is certain: We must make the leap to overcome the purported interests of geopolitics, and to unite around the higher vantage point which all astronauts, cosmonauts, and taikonauts have expressed. With the perspective of astronauts viewing the Earth from space, it is in fact possible to regard humanity as a unity, which lives on a tiny planet in a very large Solar System, which is part of a much larger galaxy, among billions of galaxies. The above perspective, expressed by Helga Zepp-LaRouche in the leading strategic article of this issue (International), and already in process in the nations of the BRICS and their allies, represents the hope for mankind's future. In our cover feature, The Maritime Silk Road Comes to the Americas (Physical Economy), you can see that this mindset is already making headway in the Americas, with the initiation of the Nicaraguan Oceanic Canal project. When you read the interview with Dr. Telemaco Talavera, the manager of that project, you will...
