Reviews

This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.

What will happen when two shifters fight - over a love that has been ordained, and one that is forbidden? Jace moved in with Fiona and her father when she was fourteen. Tall, lean, and hotter every day, he caught Fiona's eye on day one, and she has had a crush ever since. The problem is, Jace has never looked at her as anything but a friend. On Fiona's sixteenth birthday, her dad announces she is going to mate a shifter she has never met when she turns twenty-one. Zane, though cute and muscled, is arrogant, older, and not at all her type. One night, Jace finally sees Fi for the woman she has become. In a moment of weakness, he succumbs to her request for just one kiss. A mate's addictive taste is something neither Jace nor Fiona deny. Caught by a secret past, Jace believes he will never deserve a woman like Fi. However, Fi harbors a deep dark secret of her own, a secret that may change all of their lives. Pepper Valley: A town where shifters, vampires and other creatures are a part of society. They are caught . . . and Shifted For Love. This item ships from La Vergne, TN. Paperback.
