Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.God gave us the mountain to take our marriages to the greatest heights, but only a few make that climb. Many settle for the hill and never enjoy the scenery of the earth best obtained from the top of a mountain. In The GREATMIND Marriage Theater, author Pius Y. Ashiara discusses that marriage calls for two people to become one. Ashiara and his wife, Prudence Dansowah Ama Owuani Ashiara, have been married for thirty-four years and have three children. The Ashiaras base their marriage on God, trust, loyalty, and being there for each other. In this guide, he shows people the importance of making good choices when it comes to selecting a partner and preparing for marriage. The chapters address men and women separately, discussing how their lives will change when they marry and have children and the important roles they will need to take on and accomplish. The GREATMIND Marriage Theater describes marriage as a flower, requiring constant attention, care, and watering through its life. If the earth under it is left to patch, it will lack nutrients and die.
