Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.My life isn't supposed to be this complicated. At least that's what I thought. until I met Jax. I was in for the most boring three months of my life. With my best friend and sister gone for the majority of summer, I was stuck by myself in Cedar Falls, our small town in Indiana. But then he showed up on my front doorstep - my mysterious, insanely attractive new neighbor. I was instantly drawn to him. It was like there was a magnetic force between us, unlike anything I'd ever felt before. When a series of strange events happen, it seems like there's only one thing that links them all together: Jax and his family arriving in town. Little did I know, I wasn't only imagining it. Jax has a secret, one that affects both of us. He's a werewolf. I've fallen completely head over heels for a werewolf, which is just as dangerous as it is stupid. But I don't care. I'm willing to do whatever it takes to be with him, even if it means putting my own life on the line. But wait. My life was already on the line, even before they came to town.
