SIMON SCHUSTER, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. I don t normally care about clothes, but when my friend Charlie Adams s sister Alicia opened a boutique right here in River Heights, of course I wanted to be at the opening. Turns out it was a pretty popular event. Way more people than expected showed up, and then the store window was smashed, and people were injured! Later I found out that Alicia s most expensive dress was destroyed and her store had been vandalized. Sounds like more than one-day-sale damage to me. I may not be a fashion expert, but this is one case I m ready to size up.
