Annick Press Ltd, Canada, 1999. Board book. Condition: New. Language: Spanish . Brand New Book. This innovative series grew out of a desire to provide all children with the opportunity to see themselves within the books they are reading and identify with the children and families they see. The diversity of today s families is clearly captured. The simple text and engaging photographs explore the relationship between very young children and their environment. Happy Birthday explores a young child s world using photographs of a variety of children celebrating their special day.
