Square Circles Publishing, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this book, first published in 1953, Harold Sherman makes clear how we can attune our minds to the God Consciousness within through proper exercise of meditation, faith, prayer and intuition. By learning how to develop these faculties, we can help to rid ourselves of the loneliness and insecurity we feel. This makes us strong within, and with this new strength we can at last begin to know the joy of living a full life! * The book contains many highly interesting case histories of men and women who have had unusual, supernormal experiences. For those who are skeptical of the extrasensory powers of the mind, Harold Sherman gives many fascinating illustrations of his own adventures in the realm of mind. * He also reveals how to relax body and mind, how to picture in consciousness what is desired, how to cause the creative power within to bring this picture to pass in real life through right use of the power of prayer supported by faith. Five basic prayers are presented, designed to reach the God Consciousness and to place the individual in such attunement that he can attract anything to him. * The reader of this book will also find a technique of healing so clearly set forth that he will immediately begin using its methods in his own life. * From Norman Vincent Peale, author of The Power of Positive Thinking: I have just read your book, Know Your Own Mind. It is in the best tradition of the Harold Sherman books, and I find it enlightening, interesting, and helpful. You have a sound philosophy and understand of life and people. * From Ernest Holmes, founder of Science of Mind: Know...
