Page Publishing, Inc., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Law of Oneness is the program the ancients have intended for us to use for millennia. It s a way of looking at reality to the way things work in our universe, not how things are played out on our current delusion. The ancients have wanted us all to unlock our potential to grow in consciousness. The Law of Oneness tells us how reality works in all our perception to recognize and break free from all our own potentials and activate our bliss to the reality of oneness. The one reality that has the power to undermine all other realities. From behind bars to beyond the stars -- that s how far Jessy Salamone had to go in his personal growth and spiritual awakening to make the true nature of reality understandable for us all. With Law of Oneness, which he started writing while serving time for drug-related offenses, Jessy succeeds in turning a complicated topic into a narrative that is reader-friendly and engaging. As he explains it, the Law of Oneness is a universal formula or equation that works in all things and is the ultimate master key to take us to Source. The components of that formula include transcending society-programmed thinking, overcoming insecurities that cause low self-esteem, freeing ourselves from the limits of ego, finding the courage to go forward despite fear or disapproval, identifying our purpose in life, and recognizing that love is the glue holding everything together. Of course, there s much, much more in Law of Oneness to experience and enjoy. I recommend you give it a read. Under its influence, your friends, your family, and ultimately your higher self will thank you. -- David L...
