

## Remembering Our Childhood: How Memory Betrays Us

By Karl Sabbagh

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Remembering Our Childhood: How Memory Betrays Us, Karl Sabbagh, In this fascinating and sometimes disturbing book, the well-known writer Karl Sabbagh looks at psychologists' present understanding of the nature of memory, especially recollections of childhood, and how, in cases of so-called 'recovered memories', the unreliability and flexibility of memory has led to tragic consequences, destroying the lives of whole families. All of us have memories of childhood - that special trip to the fair, or impressions, such as dappled sunlight through rustling leaves seen from the pram. Some people firmly believe that they can recall scenes from the time they were babies. But what does science tell us about the nature of memory, and memories of childhood? In the first part of this book, Sabbagh begins gently with examples he has collected from many interviews of earliest memories, and goes on to look at psychologists' and neuroscientists' understanding of memory. It becomes clear that, whatever individuals might claim, memories of the first two years or so of our lives are simply not accessible to us, while later memories are fragile, yielding to suggestion and our inclination towards a neat story. All...
