ROGER S RANGERS: (EVELYN EVERETT-GREEN CLASSICS COLLECTION) (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand ******. Have you not heard of Robert Rogers, the New Hampshire Ranger? Well, you will hear his name many times before this war is closed. He has gathered about him a band of bold and daring spirits. He has lived in the forest from boyhood. He has been used to dealings with both English and French settlers. He speaks the language of both. But he is stanch to the heart's core. He is vowed to the service of his country. He moves through the forests, over the lakes, across the rivers. None can say where he will next appear. He seems everywhere--he spies upon the foe. He appears beneath the walls of their forts, snatches a sleepy sentry away from his post, and carries him to the English camp, where information is thus gleaned of the doings of the enemy. He and his band are here, there, and everywhere. We had hoped to have seen them here by this. Colonel Armstrong sent a message praying him to come and help him to attack a pestilent nest of savages which is the curse of his life. We had hoped you were the forerunners of his band when you appeared. But in these troublous times who can tell whether the messenger ever reached his destination?.
