Start by doing what is necessary, then what is possible, and suddenly you are doing the impossible. - St. Francis of Assisi Many families have a problem: we want to pay the bills, but it is difficult - sometimes impossible - to survive on one income. So what should we do? It is like a grown-up tug-of-war with your finances and career on one side and your kids on the other. Society tells women that we can t have it both ways. But I am telling you that you can. You can stay at home with your children and also make money, and I will give you 101 tips to make it happen. This workbook will give you, in a Catholic context, ideas on: how to decide the job that is right for you, how to make time for an at-home job, work time vs. family life, Catholic spiritual advice, and practical tips on everything from taxes to web design. There are follow-up questions and space to write your answers and thoughts. If you want to start making money at home, this is the book is for you.
