Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It has been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.

SCALES: A FRESH TELLING OF BEAUTY AND THE BEAST (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Hannah Segura (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Princess Eleanora is very different from her younger sister, Oralia. While Oralia is golden-haired, sprightly and adored by all the men of the kingdom, Eleanora is ebony-haired and dark-eyed, and even-keeled. Wandering musician Amber of the Lute glimpses that difference right away-and his laughter and color bring out a sparkle in Eleanora. But this arouses vicious jealousy in Oralia, who acquires and casts a terrible spell on her sister-one that twists both the body and the mind. A spell that can only be broken by one who can see into Eleanora s heart, and love her enough to set her free. Excerpt from Chapter Nine: All the way across the roof, near the foot of the opposite tower, stood a person. Full in the waning white moonlight. Her face tilted toward the shrouded sky. The light shimmered against her smooth, fine scales, making them look like liquid silver, and it softened the slender curves of her body. The fans near her face had calmed, and rested against the sides of her neck. Her large eyes reflected a luminous shine as she gazed, unblinking, at the moon. Watching it withdraw behind the clouds. The black shadow of the tower fell across her long, sweeping tail. Thus, from where Amber stood, he could have mistaken her for a pale young woman dressed in blues and whites. Except for the bearing of her features. Her gaze-vacant. Barren as a waterless sea. Her mouth-incapable of speech, of smiling or frowning. Her expression blank, and immovable. She stared, without pondering. No thought lived behind those eyes, or flickered at the corners of those lips. A silver serpent. Still and silent as...
