It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

STAYING ALIVE: THE DISCO INFERNO OF THE BEE GEES (PAPERBACK)

Outline Press Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. In the late 70s, the Bee Gees spectacularly revived their career and, with their soundtrack to the Saturday Night Fever film, became the biggest disco group in the world. But when the disco boom crashed they went from icons to punch lines overnight. The band was inescapably frozen in time: all long, flowing manes, big teeth, falsettos, medallions, hairy chests, and skintight satin trousers, one finger forever pointing in the air. The Bee Gees would spend the next forty years trying to convince people there was more to them, growing ever more resentful of their gigantic disco success. We d like to dress Stayin Alive up in a white suit and gold chains and set it on fire, they said. Staying Alive finally lifts that millstone from around their necks by joyfully reappraising and celebrating their iconic disco era. Taking the reader deep into the excesses of the most hedonistic of music scenes, it tells how three brothers from Manchester transformed themselves into the funkiest white group ever and made the world dance. No longer a guilty pleasure but a national treasure.
