Only four out of five people who go to the trouble of setting New Year's goals ever achieve them. Interestingly, we call these New Year's resolutions, but it seems few of us really resolve to accomplish them. Do you want to actually achieve your New Year's goals and resolutions this year? If so, Get Ready, Aim, Shoot, and Hit Your Target, a spiritual New Year's guide and workbook written for anyone from any religious tradition or background, will help you set and accomplish them. Both the secular New Year and the Jewish New Year, called Rosh Hashanah, mark the end of one year and the beginning of another, although each commemorates the old and brings in the new in a slightly different manner. Whether or not you are Jewish, Judaism's way of looking at the New Year and the goals we set at that time, provide a helpful guide for actually achieving these goals and creating lasting change in our lives. If you are Jewish, you'll enjoy reading Get Ready, Aim, Shoot, and Hit Your Target and taking a deeper look at how your religion can help you create change in your life. If you follow another religion, or if you are not religious at all, simply take what you can from the ancient wisdom and philosophy included in Get Ready, Aim, Shoot, and Hit Your Target's pages and put it to use in your life. Get Ready, Aim, Shoot, and Hit Your Target provides wisdom, tools, principles, and exercises pertinent to Jews and non-Jews,...
