

## Chimeric Machines

Filesize: 7.11 MB

### ***Reviews***

*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, changing the way I believe.*

## CHIMERIC MACHINES

Creative Guy Publishing, Canada, 2009. Paperback. Book Condition: New. New.. 193 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This collection from rising author Lucy A. Snyder offers three dozen poems to delight readers who enjoy sly wordplay and subtle allusion, high intelligence and fierce heart. Snyder s work is complex yet grounded. You can read it on several levels and it ll work on each and every one. It s lyrical but rooted in authenticity and validity. There s truth here, and tackling the truth is the highest calling of any poet. She s been through the trenches; she knows the way the world comes down. You can feel it in the work. You re not just looking at words in a book, you re regarding a life that s been opened up and splashed down on the page. This lady is not only courageous, she s fearless. We need more like her to give us that grand plucking of the guts. - Tom Piccirilli, author of *The Midnight Road* and *Waiting My Turn to Go Under the Knife*, from his introduction There is nothing illusory or mechanical about these poems. They take us on a marvelously eclectic journey, with a cast that includes a black hole voicing its thoughts and a dead man coming Home For the Holidays. Read and be dazzled. - Christopher Conlon, author of *Mary Falls: Requiem for Mrs. Surratt* and *Midnight on Mourn Street* Winner of the 2009 Bram Stoker Award for Superior Achievement in Poetry.
