

Cogitation (Paperback)

By Sam Love

Unsolicited Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Cogitate--verb: To think deeply about something; meditate or reflect. In this over-stimulated fast-paced society everyone is so busy there is no time for cogitation. Now only rebels and misfits cogitate. What a pity. To correct this contemporary problem poet Sam Love uses poetry to examine the cracks in our culture. Cracks that can have devastating personal, ecological and social consequences. For him cogitation is a metaphor for the power of poetry to provide insights that can recreate our so-called modern world and heal beleaguered souls. Far from doom and gloom, Cogitation showcases a wit that will make you smile. By understanding the interconnections surrounding a single event, product or object he believes we can gain new clarity about healing our world. It doesn't matter if he's riffing on the commodification of yoga or the shuttering of small business dreams as a big box store steals customers. In one poem for example he focuses on a single blueberry in his cereal to give us a better understanding of the distance our food travels. In another we follow the journey of a carelessly...
