Brand New Book ***** Print on Demand *****.Excerpt from How to Get a Patent: A Complete Compendium of Useful Information for Inventors Invention has been aptly called the genius of the poor. By a providential foresight, which cannot be ascribed to chance, this marvelous faculty has been bestowed by nature even more freely upon the men of the people than upon those whose education and other advantages would seem to have fitted them for success in a field dominated so completely by brains. It is certainly a dispensation of Providence that has given us this wonderful balance-wheel of civilization, without which the rich would grow constantly richer and the poor as steadily poorer. But few men become rich, or even well-to-do from the mere labor of their hands 5 relying solely upon such exertions they must surely lose ground daily. The rich, however, living upon invested capital, need only spend a little less than their income to go on amassing wealth indefinitely. Thus the gulf between the two great classes would grow steadily wider and wider, the one enjoying unnecessary and even harmful luxuries, while...
