Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from History of Wyandotte County, Kansas, Vol. 1: And Its People The early history of Kansas and of Wyandotte county interwoven and inseparable, is a repetition of the old story of the battle of civilization with the forces of the wilderness. The passing of the savage Red Man, the education of his more enlightened brother, the Emigrant Indian from the east, the beginning of the future's development, and the final victory of peace, are in harmony with the history of Kansas and of Wyandotte county, which is a story crowded with vicissitudes and leading through a phenomenal growth to a promise of splendid triumph. In this work the author, having been a citizen of the county for more than twenty-five years, has accumulated in that time much of that which appears in these two volumes. Also he has had access to a fund of historical information from the Kansas State Historical Society and in the public library of Kansas City, Kansas....
