

Debarred the Use of Arms (Second Edition): A Warning from the United Kingdom (Paperback)

By Stephen Challis

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Since the publication of Debarred the use of Arms there has been a shift in the policy towards self -defense in the UK. It is small but significant. Judges are looking at self- protection and justification in a new light. As to whether that will lead to more consideration for the victim and less for the criminal remains to be seen. There have also been major events in the US, such as the tragedy at Sandy Hook, which I predicted in the first edition, but take no pleasure in having been proved correct. In this second edition I have updated some of the cases and added illustrations, not available in the first edition. This book details the events leading up to the total ban on modern centrefire and rimfire handguns, in the United Kingdom. The forward is written by a leading US defense expert Lt Col Dave Grossman, who has endorsed the book as essential reading for anyone who feels that the problems of the UK could never come here. The Author is a former UK police Officer who now...
