## MODEL-BASED CONTROL:

Condition: New. Publisher/Verlag: Springer, Berlin | Bridging Rigorous Theory and Advanced Technology | This book contains a collection of contributions written in honor of Professor Okko Bosgra's sixty-fifth birthday. It follows his lifelong idea of establishing a unified research agenda that covers a wide cross-section of the model-based control field. | Model-Based Control will be a collection of state-of-the-art contributions in the field of modelling, identification, robust control and optimization of dynamical systems, with particular attention to the application domains...
