

Annual Report of Intramural Research Program Activities, National Institute on Alcohol Abuse and Alcoholism: October 1, 1984 to September 30, 1985; Summary Statements and Individual Project Reports (Classic Reprint) (Hardback)

By National Institute on Alcohol Abuse

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Annual Report of Intramural Research Program Activities, National Institute on Alcohol Abuse and Alcoholism: October 1, 1984 to September 30, 1985; Summary Statements and Individual Project Reports During fiscal year 1985, investigators in the Laboratory of Clinical Studies continued the longitudinal projects outlined in the 1984 annual report and started new projects in the areas of violence, suicide, and depression in alcoholics. The occupancy rate of the lo-bed research ward has continuously exceeded 70 percent, which is close to a practical maximum. The Laboratory will obtain permanent outpatient space by the end of July 1985, and its animal space is being renovated. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
