SECOND NATURE: A GARDENERS EDUCATION

Grove Press. Paperback. Book Condition: New. Paperback. Dimensions: 8.1in. x 5.4in. x 0.9in. In his articles and in best-selling books such as *The Botany of Desire*, Michael Pollan has established himself as one of our most important and beloved writers on modern mans place in the natural world. A new literary classic, *Second Nature* has become a manifesto not just for gardeners but for environmentalists everywhere. Chosen by the American Horticultural Society as one of the seventy-five greatest books ever written about gardening, *Second Nature* captures the rhythms of our everyday engagement with the outdoors in all its glory and exasperation. With chapters ranging from a reconsideration of the Great American Lawn, a dispatch from one mans war with a woodchuck, to an essay about the sexual politics of roses, Pollan has created a passionate and eloquent argument for reconceiving our relationship with nature. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
