This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Nextsunday Resources, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The first four lessons in this unit draw inspiration from a traditional interpretation of the Advent candles as the Prophets Candle, the Bethlehem Candle, the Shepherds Candle, and the Angels Candle. The final lesson, which occurs after Advent, celebrates the theological meaning of Jesus birth as described in the prologue to John s Gospel. In the first lesson, taking our cue from the Prophets Candle, we delve into some of the prophetic words about the Messiah in the book of Isaiah. Shepherds were considered untrustworthy and irreligious, so it is surprising that God chose shepherds to receive the news of Jesus birth. We also may sometimes feel unworthy of God s love. The lesson invites us to think about the kinds of people God uses. In the fourth lesson, we focus on the Angels Candle and ponder the angel s difficult message to Mary. What hard thing might God call us to do? Finally, in the fifth lesson we explore what it means that the Word became flesh and lived among us (Jn 1:14). We conclude our study by asking a practical question: How is the birth of Christ relevant to my life? May these sessions...
