Creative Cache LLC, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. College in Four Years: Making Every Semester Count is the essential guide to graduating on time with better grades and less stress - for a lot less money. This practical, easy to read guide takes students from freshman dreams to graduation reality by helping them make the most of their college experience. With the right preparation, information and motivation any student can successfully earn an undergraduate degree in four years. For Students Preparing to Go to College Learn how to tap the wealth of resources and opportunities to get the most out of college. Arrive on campus knowing what to do now, and later, to ensure success. For Students Already in College Access unique tools and tactics that help students, at any stage in their academic career, stay on top of degree requirements and make progress towards graduation. For Parents and Stakeholders of College Students Helps you prepare your student for the rigors of college. Serves as a resource to help you help them throughout their college career. Resources You Won t Find Anywhere Else Dr. Granville M. Sawyer, Jr, draws from his 30-plus years in higher education as a college professor and administrator for more than 10,000 students. He gives students extraordinary insider information that empowers and encourages them to graduate in four years with better grades and excellent job prospects. About the Author Granville M. Sawyer, is a professor of finance and director of the MBA program at Bowie State University. His passion, as an educator, mentor and motivator, is to ensure that every student with the will to earn a college degree has the support they need along the way. He blogs...
