

Jeremy and the Thinking Machine: Play (Paperback)

By Janet Neipris, Barbara L. Greenberg

Samuel French Ltd, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. Jeremy is the only child of the King and Queen of a mythical kingdom. The people of Jamboreen, including his mother and father and the villainous Lord Jackal, all agree that Jeremy is not the brightest of princes, and poor Jeremy is of the same opinion. Yet as soon as FG, his fairy godmother, gives him a thinking machine for his birthday he turns into a kind of genius. But wait: does his thinking machine require batteries, or does it not? Will he be able to rescue his mother and defy his evil uncle? In a rousing conclusion Jeremy receives another, greater gift - self-confidence. With twelve easy songs and a running time of about one hour, this will prove a delightful entertainment for young people. The music is available separately on hire.
