Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Mantras for Peace use the powerful word GOOD in short one to three letter word compositions for purposes of repetition and meditation. Some claim that when a word is used for a specific purpose, it creates an energy signature related to the significance and symbolism associated with the word itself. Hence, the word works almost like a net that captures the energy associated with it. And so, as these words carry the energy signature they symbolized, it is believed that they have the power to impact a person, place or location and immerse it with the power in that word and thus create change. Second, everyone is eager to achieve change in their lives in some way or another. In these series of books we offer the mantras as against beautiful digitized nature images which are aimed at exciting the mind both at the conscious and unconscious levels. And further, these images are actually prints which can be cut-out and hung. So, in this way, this book is not just a book, but also a...
