

Nonprofit Organizations, Cases and Materials (Hardback)

Filesize: 2.77 MB

Reviews

Very useful to any or all group of men and women. It is written in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.

(Althea Fahey MD)

West Academic, United States, 2015. Hardback. Book Condition: New. 5th Revised edition. 254 x 190 mm. Language: English . Brand New Book. The Fifth Edition of this pioneering casebook includes the usual rich mix of materials and is adaptable to a survey course, a policy-oriented seminar, or a more specialized J.D. or LL.M tax class. Every major topic is accompanied by a skillfully developed set of problems and includes lively notes, questions, and bibliographic references. Highlights of the Fifth Edition include:* Coverage of all important developments since the last edition, including new state legislation and case law on nonprofit formation, governance, and donor standing; IRS scrutiny of colleges and universities, nonprofit executive compensation, and commercial activities; final tax regulations on the public charity support tests and supporting organizations; proposed regulations on the exemption requirements for hospitals and program-related investments; and recent antitrust litigation and other lawsuits challenging the NCAA s regulation of college athletes.* Reorganized and updated coverage of the limitations on lobbying and political campaign activities of 501(c)(3) charities; the use and abuse of noncharitable exempt organizations for political activities; and the implications of the Supreme Court s Citizens United decision on the nonprofit sector.* Expanded discussion of the emerging forms of hybrid entities used for social enterprises that combine a public benefit mission with the pursuit of profit.* A new and more contemporary introductory problem on the choices facing the founders of a nonprofit organization and revised problems on the state law duties of loyalty and care and the federal tax exemption standards for hospitals.* A survey of proposed tax reform legislation affecting exempt organizations and the charitable deduction.* Pruning of dated materials, minutia, and more tightly-edited cases, notes, and problems.
