Reviews

It is one of the most popular publications. We have read through it and I am sure that I will likely study it again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best PDF for actually.

ADVANCED E-BUSINESS RESEARCH

DOWNLOAD

Peter Gmbh Lang Aug 2017, 2017. Buch. Condition: Neu. Neuware - Since years, e-business research is subject of many conferences and publications. While researchers and practitioners often focus on e-business systems and applications, so far little attention has been given to the development of innovative and sustainable e-business models and solutions. This publication fills this gap by discussing the following key issues: What are challenges and opportunities for international e-business What are the barriers and risks for companies implementing e-business models How can they succeed in the long-term In this context, this publication provides in-depth studies of consumer needs, cultural requirements as well as conditions of economic efficiency and successful implementation of e-business solutions. It is intended for e-business novices as well as advanced researchers and practitioners. 197 pp. Deutsch.
