This comprehensive guide offers a thorough view of key knowledge and detailed insight. Its all you need. Heres part of the content - you would like to know it all Delve into this book today! . . . : Rule 1 (the rule of liberty) states that every stone remaining on the board must have at least one open point (an intersection, called a liberty) directly next to it (up, down, left, or right), or must be part of a connected group that has at least one such open point (liberty) next to it. . . . Where different coloured groups are adjacent and share liberties, the situation may reach a position when neither player wants to move first, because doing so would allow the opponent to capture; in such situations therefore both players stones remain on the board in mutual life or seki. . . . The most common example is that of adjacent groups that share their last few liberties-if either player plays in the shared liberties, they can reduce their own group to a...
