Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Wells Cathedral At the beginning of the eighth century, ad. 709, Aldhelm, first bishop of the new see of Sherborne, died at the little wooden church of Doultling, on the crest of the Mendip, which looks down through green combes over the western plain of Somerset to the Severn Sea. In his missionary work through this half Celtic district he had moved the convert king Ina to repair the waste places of Glastonbury. About the same time a frontier settlement of secular priests was planted at the foot of the hill country, and a wooden church of st. Andrew rose by the head of the springing wells. There is little to be told of its earlier history, while the heathen Dane was harry ing England, until at last Alfred had sallied from the moor fastness of Athelney, and the treaty of Wedmore gave peace to Wessex. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
