Beacon Publishing, 2015. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. Matthew Kelly has been traveling the world inspiring people to become the-best-version-of-themselves. During this time he has been amazed at how regularly he is asked: How do I encourage my children to embrace this message? How does your message apply to a family? Kelly shares with us remarkable insights and sensible everyday strategies for transforming the family into what it should be: a place where each of us can become the-best-version-of-ourselves. In Building Better Families, Kelly explores important issues by raising evocative questions: What makes a successful parent? Do you realize that your children are in the middle of a cultural war? What are the five things children really need? Are you asking your children the right questions? What are you teaching your children about work, money, food, exercise, body image, and sex? What are the priorities of your family culture? Allow this book of classic wisdom and practical insight to help you build a better family.
