Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Of the four dimensions, the length is the only one we do not have control over, as none of us know when we will die or how long we will live for. The other three dimensions we control and can develop. The breadth of our life looks at whether we are living a narrow self centred life or a broad lifestyle that encompasses the others. Am I the most important or do I think of others? Do I have a love for people or am I in love with me? If you are kissing yourself in the mirror you already have the answer. The depth deals with our roots and foundations. Where have we placed our roots? Are we rooted in the word or in the world? Is it church or club, Christ or crisis? Where have we built our foundations? Are our foundations built on the rock or on the sand? The height looks at our hopes, our goals and our dreams. What are we reaching for? Is it fame and fortune, I am looking for? Am I looking to be remembered on this earth for what I did or am I looking to be remembered for what I did for Christ?.
