Brand New Book ***** Print on Demand *****.Welcome to Leadership: Influential Leadership Skills for Mastering Business Communication, Management Conversations and Team Building. Instead of page after page of describing the chemical reactions that go on inside our brains when we communicate or age old textbook jargon, this comprehensive book cuts out the filler in order to deliver actionable information that you can start using today. Every page contains relevant information ready to apply and the reader is actively encouraged to add to the information contained and use it to develop their own personal techniques and style. The book was designed to be read cover to cover, however if a certain chapter is of particular interest to you please feel free to jump ahead, for instance skip to the Influential Phrases section if you re looking to get a pay rise today. Each section goes into depth on a different topic. They are arranged as to build upon each other towards the final chapter, which will explain how to put everything together and which leadership styles and methods of communication work best in what situation. The high level material throughout...
