Although it may not seem like it, cleaning is big business. A well step up residential cleaning business can earn you substantial amounts of money (to the tune of 50, 000 per year). However, many people intent on starting this business tend to underestimate the amount of preparation and effort that goes into establishing such a business. After all, we all clean, right Right, but cleaning another persons home for monetary gainsfee is infinitely different from cleaning your residence. When the word business enters into the picture, a lot changes. Suddenly, the differences become clear: the person you are cleaning for expects value for money. If you are keen on starting a profitable residential cleaning business that provides value to its clients, you need to avoid common pitfalls made by beginners venturing into this business. Fortunately, this book, has everything you need to create a profitable and immensely valuable cleaning business. Here is a preview of what youll learn This guide will teach you how to get started on the business. The book will also look at the intricacies of owning and running a successful residential cleaning business. You will learn the pros and cons of this type of business, the items you need to set up the business and get started, how to market your business for maximum exposure once it is up and running, how to price cleaning jobs, how to build a brand that stands out from the competition, and many more.
