Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Seasonal Employment Since its inception in 1916, the National Park Service has been dedicated to the preservation and management of our country s unique natural, historical, and recreational areas. The National Park System encompasses 337 separate areas in the United States, Puerto Rico, and the Virgin Islands. Included are outstanding sites of natural beauty and grandeur, properties preserved to reflect the historical development of the United States and the prehistoric civilizations on the North American continent, and recreational sites and facilities that serve the need for relaxing activity, leisure, and inspiration. Besides the headquarters office in Washington, DC, there are 10 regional offices, a service center in Denver, Colo., and an interpretive design center in Harpers Ferry, W. Va. The National Park Service is a bureau of the us. Department of the Interior, and should not be confused with the Forest Service, which is a bureau of the US Department of Agriculture. For information on permanent employment in the National Park Service, obtain a brochure from any of its regional offices. See the addresses of regional offices on page 13.
