

Father, Son Violin: A Personal Life Story Tells the Vivid History of Mao's China (Paperback)

By Daniel Olsen Chen

Daniel Chen, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What does the year 1960 mean to the Chinese people? Three-Years of Natural Disaster, in which it is said more than 30 million Chinese lost their lives. A surviving boy aged six, is taken from his extended, countryside family with whom he has been living for four years, by a total stranger to Changsha, the capital city of Hunan Province. This was the first time DanJiu ever met his father, for that matter, it was the first time he had ever heard the word father . This first meeting marks the beginning of a decade s long bid for his father s love. Second son of a not so high ranking , not so low ranking Communist Party Member, he was born in response to the Party s call to, have as many children as possible for the use of war . The seriousness with which the world around him presents itself demands he fit in. DanJiu learns quite early that he is a square peg. The desperate bid for his father s love seems unattainable as he overhears Father say, I dislike that child...
