

Introducing Freud: A Graphic Guide (Paperback)

By Richard Appignanesi, Oscar Zarate

Icon Books Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Freud revolutionized the way we think about ourselves. His psychoanalytic terms such as Id, Ego, libido, neurosis and Oedipus Complex have become a part of our everyday vocabulary. But do we know what they really mean? Introducing Freud successfully demystifies the facts of Freud's discovery of psychoanalysis. Irreverent and witty but never trivial, the book tells the story of Freud's life and ideas from his upbringing in 19th-century Vienna, his early medical career and his encounter with cocaine, to the gradual evolution of his theories on the unconscious, dreams and sexuality. With its combination of brilliantly clever artwork and incisive text, this book has achieved international success as one of the most entertaining and informative introductions to the father of psychoanalysis.

Reviews

This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and i suggested this publication to learn.

-- Jesse Tremblay

This pdf is worth buying. It is actually written in basic words and not confusing. It's been printed in a remarkably basic way in fact it is merely following i finished reading this publication through which really altered me, affect the way i really believe.
