Propeller Group, Inc., 2015. Paperback. Condition: New. Revised with New Cover ed.. Language: English . Brand New Book ***** Print on Demand *****.From the Inside Flap I know you are already smart, fast, and good. Now it's time to become smarter, faster, and better. It's time to ask questions, slow down, and start focusing not on just your own self-development but on your contribution to your team, your organization, and the greater good. --From the Introduction In this groundbreaking book, acclaimed executive coach Karlin Sloan offers leaders a variety of self-assessments, habits, strategies, and sustainable practices that they can use to become what today's marketplace demands: smarter, faster, and better. Sloan shows what it takes to make the move to the next level to become a leader who both grows the bottom line and contributes to stakeholders and the world in a positive way. Based on research, study, and the author's extensive experience as a coach to leaders of top organizations, this book shows how to become smarter, faster, and better by examining these questions: What are your key strengths and what do you need to develop or leverage? What are you focused on now and what do you need to accomplish to really get ahead? Are your values in line with your work? What is the end you are trying to achieve? Smarter, Faster, Better is solution-focused. It helps leaders gain perspective and self-knowledge, seize opportunities they may not have seen before, achieve their highest potential, and resolve the issues that threaten to hold them back from the success they desire for themselves and their organizations. Reviews For those of us constantly striving to operate smarter, faster, and better, Karlin Sloan reminds us sagely, through wonderful stories, that we may well achieve our highest levels...
