INGRAM PUBLISHER SERVICES US, United States, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Popular science at its very best, *The Secret Pulse of Time* awakens us to and empowers us with the idea that time is far more at our disposal than we have previously realized. award-winning journalist Stefan Klein, whose previous book, *The Science of Happiness* , is a longtime international bestseller, here provides what are essentially operating instructions for time. Through a combination of original investigation and reportage, personal revelation, and a commanding presentation of scientific research (among disciplines including brain physiology, social psychology, philosophy, and Einsteinian physics), *The Secret Pulse of Time* teaches readers not only to better master time but also to understand why they so often fail to do so.
